24 Spices

At **24 Spices**, we believe that exceptional meals begin with extraordinary ingredients. We are Singapore's premier destination for meticulously sourced, high-quality, and 100% Halal-certified meats, fresh seafood, artisanal flavor bases, and wholesome prepared meals. Driven by a passion for authentic taste and uncompromised quality, we bridge the gap between traditional heritage flavors and modern kitchen convenience.

Our Meats: From tender, succulent fresh mutton cuts (chops, ribs, and lamb shanks) to pristine, lean poultry, our meats are selected for optimal texture and rich flavor profiles.

Our Seafood: Sourced fresh daily and meticulously cleaned (with heads removed for your convenience), our premium selection—ranging from rich Salmon fillets and sweet Tiger Prawns to prized Red Snapper—retains its natural ocean-fresh sweetness and firm texture.

Our Signature Spices, Sauces & Pastes

The secret to unforgettable cooking lies in the depth of the flavor base. Our signature range of house-blended spices, rich sauces, and aromatic pastes are crafted using time-honored recipes. We roast and grind pure, whole ingredients with zero artificial fillers.
